

Mechanical & Aerospace Engineering 2015

T-SHIRT DESIGN CONTEST

Winner to have their design framed with their name and class year and displayed in the student lounge. A pizza lunch will be given for the students of the winner's class year.

Contest Fine Print:

design must include MAE and an adjective that represents engineering: words such as creativity, innovation, ingenuity, cleverness and imagination are encouraged | shirt will be winners choice - short sleeve, gray, white or black | maximum of two printed areas may be included in the design: front, back or one sleeve | sleeve print will be one color | front or back design may be up to two colors | no dates or names may be included in the design | enrolled MAE graduate and undergraduate students are eligible to enter

All faculty, staff and students of the MAE department will receive one free shirt.

Submission deadline: 5:00pm Monday, November 23, 2015 -- Submit designs to jwiddis@princeton.edu

Congratulations to Hannah Miller '16, 2014 contest winner!
